

# Grassroots Political Training!

**VOLUNTEERS ARE NEEDED** for neighborhood walks, postcard-writing parties, phone banks, and other Labor Neighbor efforts. Even if you live outside the 45<sup>th</sup> district, you can help in that area and/or phone banks scheduled throughout the state. Labor Neighbor, the Washington State Labor Council's grassroots member-to-member political action program, engages union members to inform fellow union members about the candidates and ballot measures that have earned labor's endorsement — and why they earned it.

We have a **critical race in the 45th legislative district and an opportunity to put the power back in the hands of working families!** Please join us for our kick-off event where you'll meet the candidate, learn more about the election itself and get training to hone your advocacy skills and learn how you can really make a difference in this race!

Date: Saturday, June 17, 2017

Time: 10am – 1pm

Location: I0604 NE 38th Pl #212, Kirkland, WA 98033
