

# SOLIDARITY doesn't take a vacation -- but Union families do!

**NO MATTER HOW YOU TRAVEL - PLANE, TRAIN, BUS, BOAT OR CAR - YOU CAN GET THERE BY SUPPORTING A UNION WORKER!**

 Greyhound and Trailways are represented by ATU and UTU!

 The Norwegian Cruise Lines ship "Pride of America" employs Unionized workers.

 Amtrak and most Passenger rail lines in the Northeast are represented either by the Teamsters, ATU, UTU or TWU.

 Hertz, Avis, Budget, National are all represented in many locations.

 Airlines are almost all or partially unionized. The Teamsters, Machinists, Communication Workers and Transit Workers Union all represent airline workers. Both the Pilots and Flight Attendants have associations as well. Don't forget that many of the concessions at the Airport are Union. So when you buy that last-minute snack before your flight you are supporting Union families too!

 Once you decide on your Vacation Destination be sure to check out UniteHERE's Union Hotel Guide at [www.hotelworkersrising.org/hotelguide/](http://www.hotelworkersrising.org/hotelguide/) to find a Union Hotel.
