

THIS is how to celebrate FLAG DAY

Help take our state back!

The needs and concerns of working families in Tacoma and communities throughout the South Sound are being ignored in Olympia. D.C.-style partisan politics and gridlock—particularly in the Washington State Senate—are killing efforts to create good jobs, raise wages, and improve our quality of life. **This year, we can do something about it.**

Marisa Peloquin and Mari Leavitt are two strong candidates for State Legislature who, together with Christine Kilduff, will be a team for working families in the 28th District.

Tuesday, June 14 (Flag Day)
