

# Summer camping season is here!

## ARE WE THERE YET?

Take the Washington State ferries to one of Washington's great State or County parks for a family vacation. You can buy a ticket, check the schedule, or make a reservation at the Washington Ferries homepage at [www.wsdot.wa.gov/ferries](http://www.wsdot.wa.gov/ferries).

## WHERE TO PITCH YOUR TENT OR RENT YOUR YURT?

Washington State parks also has a great website to plan your summer camping trip: [www.parks.wa.gov](http://www.parks.wa.gov). If you are staying closer to home, don't forget to check your county's website for campgrounds, too.

## PLANNING THAT SUMMER FISHING TRIP?

Load your **Alumaweld Boat** and **Evinrude Engine** onto your **EZ Loader** boat trailer. Pick up your high-quality outdoor gear at **Filson**. They operate a Union sewing factory at their flagship store in Seattle: 1555 4th Ave. S. or [www.filson.com](http://www.filson.com). Throw in your **FNT** fishing net and you are good to go!

## FISH AREN'T BITING?

If you come up short out on the lake, have a Union-made hotdog back at the campsite. **Hebrew National, Farmland, Ball Park, Hormel, Oscar-Meyer, Hillshire Farms** and **Johnsonville** are all made by UFCW. Don't forget the buns: Franz, Gais, and Bimbo bakeries are represented by the **BCTGM** and the Teamsters. Pick up the **Heinz Ketchup, French's Mustard**, and **Vlasic Old-Fashioned sauerkraut**. Wash it down with a **Bud** and you've got a meal!

## BOXERS OR BRIEFS?

Since Father's Day is just around the corner, consider a thoughtful and useful gift: **Union-house** men's underwear available in boxers or briefs. [www.unionlabel.com](http://www.unionlabel.com)
