Healthcare resources

What to do when you're without health insurance? Washington residents can apply for low-cost Washington Basic Health plans.

Unemployment insurance

These benefits may be available to help you meet expenses while you look for another job and are not based on financial need. Employment Security Department (ESD) will show you how and when to apply.

Training and education options

Consider full-time training or educational courses to expand your job skills and knowledge. WorkSource and Community College staff will guide you through the application process.

Tools & resources

Take advantage of the resources at WorkSource including one-on-one career guidance, job referrals, employer connections and résumé writing assistance – all at no cost to you.
