SUPPORT WORKERS FORCED OUT ON STRIKE! Join hundreds of union members and supporters standing together to support HB 1893, which would allow striking workers to access limited Unemployment Insurance benefits. It already passed the House. Let's urge State Senators to approve this critical bill!

Participants will begin gathering on the Capitol Steps at 11 a.m. A brief program will start at noon. **Talk to your Local Union about participating to make sure your Union is represented!** Wear your Union colors/work gear and bring Union signs/banners.
