Biden Administration: Terminate ACO REACH!

Rally & Picket
Friday, July 29, 11:00 a.m.
HHS Regional Office
Columbia Center, 701 5th Avenue, Seattle

Did you know?

ACO REACH is a rebranding of a Trump-era Medicare privatization scheme.

By 2028 annual Medicare spending is estimated to be \$1.6 trillion dollars.

Under ACO REACH, for-profit private entities can contract with CMS to manage Medicare services and get their hands on this money.

Why is this bad?

ACO REACH would allow outside entities to insert themselves in our health care choices.

ACO REACH would allow for-profit entities to draw down the Medicare Trust Fund for their private profits.

ACO REACH would open the door to all sorts of profit-taking practices, weakening Medicare services.
