# Overcoming child care challenges in the trades

JUNE 15 OR JUNE 22, 2022 • 6–7 P.M.

**Finding reliable, affordable child care is a significant challenge for workers in the building, construction, and manufacturing trades.**

This problem affects people's career trajectories, job satisfaction, home lives, overall wellbeing, and willingness to enter or remain in the trades.

Presented by:

**Register at: [MachinistsInstitute.org/childcare](https://MachinistsInstitute.org/childcare)**

**This FREE webinar includes insights from child care providers, labor leaders, and will discuss:**

- The challenges that workers and providers are currently facing,
- What resources are available now, and
- What resources could be helpful in the future as we ALL work to tackle this issue for working families.

This project was supported by the Washington State Department of Commerce and the Safe Start Fund for an Equitable Transition and Recovery.
